Subject: two questions re: ATV riding

Dear ATV Maine,

I'm writing from the Zenith Alternative Ed Program in Camden, Maine on behalf of four of our teenagers who are very seriously interested in ATV and pro-quad racing. I head up the mentor program here and was wondering about two things:

1. Do you have a email list or a newsletter for ATV riders that you could include the info below:

Looking for ATV Riders as Mentors

The Zenith Alternative Education program is looking for a few good mentors to show a teenager in the 10th-12th grade why YOU are passionate about ATV riding. Zenith, based in Camden, is for students who are self-directed, non-traditional learners. We have four teen boys this year who are very interested in ATV and pro-quad racing. For these kids, even talking to someone who has the same passions as they do, is the first step towards being a great mentor. Our mentors are more like Big Brothers/Big Sisters. You are not expected to teach just be willing to share what you do with the student and have fun. We'll send you a booklet of info and answers to Frequently Asked Questions. Then, we'll set up a very informal meeting with the student. The rest depends on interest, chemistry and schedules! The number of times you and the student meet is up to you! For more information, contact: Kaley Noonan at info@kaleynoonan.com or call Zenith at 230-1058.

2. Would you or anyone in your club be willing to come to Zenith and give a 20-30 talk on ATV riding, and answer questions, etc? We've asked other organizations to give talks here based on the kids' interests from Emergency Medical Technicians to Rally Race Car Drivers.

I hope I'm not asking too much. I just thought I'd hook these kids up to people who know and understand them. Please let me know if you also have any people in mind who might be willing to be one-on-one mentors. I appreciate any help you might be able to give.

Thank you.
